The Status Info section of the Order Form

5. Click the **Appraisal Status** list and choose one of the status options, as described below. There are sixteen different status options:

- Assigned** Appraisal has been assigned to an appraiser. The first time you attempt to edit an order the status will be set to **Assigned**.
- Being Typed** Appraisal is being written.
- Completed** Appraisal is completed. *(This option must be enabled by your office.)*
- Declined by Appraiser** Appraiser decides that they do not want to do the appraisal.

In Progress	Appraisal is being written-up. (Many companies do not use In Progress, check with your appraisal company before selecting In Progress)
In Review	Appraisal is completed and sent to the office for review.
Inspected	Appraisal inspection is complete.
Left Msg	Have left a message with the client.
No Answer	Unable to contact the client.
On Hold	Appraisal is on hold by request of the client.
Received by Appraiser	The appraisal is received by the appraiser.
Refer to Comments	This is a special note or instruction that should be noted.
Reviewed	Appraisal information has been reviewed.
Scheduled	Appraisal has been scheduled for inspection.
Unassigned	This appraisal has not been assigned yet.
Waiting for Acceptance	If the appraiser's access level is set to review you will get this status to approve the pending updated status that the appraiser has requested.

- In the **Current Status** field, enter any comments or information (if necessary) to support the appraisal status. For example, if you changed the status to **Left Msg**, you might use this field to enter the phone number you called, the date and time of day, and the message you left.
- If an appointment is rescheduled, then you must change the date and time in the **Inspection Scheduled** field. To specify a new date, click the calendar button  and select a new date from the calendar box.

- The current month displays at the top of the box
- To select a date in the current month, click that number to fill the date in the form field.
- Use the << and >> buttons on either side of the month to scroll backwards/forwards (respectively) to other months

You can also change the date manually, but it must be in the format MM/DD/YYYY.
For example: 01/13/2002

- Use the **Estimated Delivery** field to indicate the estimated date that you will be able to send the appraisal to the office for review.

NOTE: Many offices do not require using the **Estimated Delivery** field. Check with your appraisal office before using *Estimated Delivery*.

- If the appraised value of the property has changed, indicate this in the **Appraised Value** field. Use numbers only in this field... no symbols or punctuation.
For example: If the amount is \$248,000, enter 248000
- After completing the changes to the order, click the **Update Status** button. (The actual button name will depend on how eTrac has been configured for your office.)

You are returned to the All Open Orders page.

Downloading Order Data to Appraisal Forms software

eTrac allows you to easily download your order data into your appraisal forms software. The data transfer typically includes the file number, borrower, property address, client, and client address. This feature will eliminate re-keying of data and save time. This feature requires ACI forms 8.5.2 or higher or AI Ready download compatible forms software.

Use this procedure to download orders.

1. Click the **Main** tab at the top of the page. The Main menu displays along the left edge of the page.

From the Main menu, click the **View Open** button. The View Open Appraisal Orders page opens, listing all currently open order.

Searching Orders

eTrac includes a flexible search utility so you can locate orders by file number, address, borrower, and loan number.

1. Click the **Search** tab at the top of the page. The Search menu displays along the left edge of the page.
2. From the Search menu, select the type of search you want to perform and click the appropriate button.

- File Search** Enter the exact file number you are looking for in the **Enter File Number** text box and click the **Search** button. File searches will only find results that exactly match your search criteria. For example, searching on "12" will NOT return file #112.
- Address Search** Enter all or part of the address you are searching for in the **Enter Property Address** text box and click the **Search** button.
- Borrower Search** Enter all or part of the borrower's name that you are searching for in the **Enter Borrower Name** text box and click the **Search** button.
- Loan Search** Enter the exact loan number you are looking for in the **Enter File Loan #** text box and click the **Search** button. Loan searches will only find results that exactly match your search criteria. For example: Searching for "10" will NOT return loan #1102.

Note: Searches can be as general or specific as you want, and they are NOT case sensitive. For example, if you are searching for a borrower and enter "rob" as your search word, it will find any borrower whose name includes those letters, such as Robbie, Roberts, and Jarobski.

Searches are not case sensitive and can be as general or specific as you want.

After you click the Search button, any files that match your search criteria are listed. The top line of the report shows you how many results were found.

Sending Office E-mail

eTrac makes it convenient to send email messages back to your appraisal office.

NOTE: Depending on your access level you may or may not be able to see the E-mail Log Icon or the E-mail Client Icon.

This will allow you to send any questions or comments to the appraisal office.

This will allow you to see any emails that you have send to the office or to the appraiser.

This will allow you to send any questions or comments to the client. (You will only see this option if your office has it configured so that you can email the client.)

Click the **E-mail Office** or **Email Client** icon to launch the Email form window

NOTE: The email icon disappears as soon as you make a menu selection from the left side of the page. It reappears when you click a tab at the top of the page.

Help

You can access eTrac online help information by clicking the **Help** button at the top of the page. The help feature is context sensitive, meaning that it will provide help information about the menu or page you are currently viewing. For example, if you click the **Reports** tab and then on the **Help** button, the help system will display information about the Reports page.

Reviewing Your Inspections Scheduled

eTrac makes it easy for appraisers to review their current inspections scheduled.

1. Click the **Tools** tab at the top of the page. The Tools menu displays along the left edge of the page.
2. From the Tools menu, click the **My Schedule** button.

A separate browser window opens, displaying all of the inspections that have the status "Scheduled".
